

PROVIDER ALERT

SAMSHA's CCBHC Planning Grant

JANUARY 21, 2016

To all providers interested in expressing interest in applying to become a Certified Community Behavioral Health Clinic (CCBHC) under the SAMSHA's CCBHC Planning Grant. We have attached the following documents -- a Request for Expression of Interest (RFEI) for you to submit and a copy of the federal cost reporting requirements which will serve as minimum reporting requirements for our rate setting purposes. It is important for you to note that CMS recommends that states consider assigning all CCBHCs to one managed care entity that is capable of collecting all of the data pertinent to demonstration payment. (see page 28 of the SAMHSA Planning Grant Request for Applications (RFA) No. SM-16-001).
