

PROVIDER ALERT

INTELLIGENCECONNECT SYSTEM ENHANCEMENTS

APRIL 14, 2016

The Beacon Health Options IntelligenceConnect platform will have an upgrade occurring from Saturday, 4/16/16 through Sunday, 4/17/16. The IntelligenceConnect platform will not be available during this time. The platform will resume full operation on Monday morning, 4/18/16.

This upgrade will make several improvements to standard behind the scenes operation and deployment. We apologize for any inconvenience.
