

PROVIDER ALERT

UPDATED SUD AUDIT TOOLS

JUNE 16, 2017

As you are aware, COMAR 10.09.80 was amended effective April 10, 2017. In response, Beacon has updated the substance use disorder Level 1 and Level 2.1 audit tools and definitions to reflect those changes. The context of the tools and definitions has not changed. COMAR citations have been updated to reflect the amended regulations.

Beacon audit tools and definitions can be accessed via the Beacon website at: http://maryland.beaconhealthoptions.com/provider/prv_info.html under the Compliance heading.
