

PROVIDER ALERT

USING OUTCOMES MEASUREMENT SYSTEM (OMS) DATA

SEPTEMBER 6, 2017

The Behavioral Health Administration (BHA) and Systems Evaluation Center (SEC) at the University of Maryland, in conjunction with Beacon Health Options (BHO), have been conducting a series of webinars to assist behavioral health providers in accessing and using Outcomes Measurement System (OMS) data. Next in the series is a webinar on “Using Your OMS Data”. This webinar will include tips on potential uses of OMS data, suggest data elements relevant to performance standards, and provide a practical demonstration of using OMS data to measure change.

The same webinar will be presented on two different dates. Please click on the link below to register:

- Wednesday, October 11, 2017 from: 10:00a.m.-11:30a.m.
 - <https://beaconhealthoptions.webex.com/beaconhealthoptions/k2/j.php?MTID=ta1746a7357f394db336a9cf9f11b9bef>

- Tuesday, October 17, 2017 from: 1:30p.m.-3:00p.m.
 - <https://beaconhealthoptions.webex.com/beaconhealthoptions/k2/j.php?MTID=tb3a869ca937259dd33bc7deaf41e759>
