PROVIDER TRAINING OPPORTUNITY

DECEMBER 27, 2017

Lunch and Learn Webinar: Understanding the Tenets of SMART Drug Testing

When: Thursday, December 28, 2017

Time: Noon-1:00 P.M.

Who Should Attend? Anyone who is likely to order laboratory testing for substance use or controlled medications

This training will review the key components of laboratory drug testing, ASAM's SMART testing guidelines and discuss how these can be incorporated into everyday practice. This training will review changes in coding for laboratory drug testing that will begin on 1/1/18.
